## Roedhouse

Roedhouse is a beautiful property that the owners lovingly constructed in 2018 and no expense has been spared in the creation of this high end home. With beautiful fixtures and fittings throughout, the hub of the home is the stunning open plan living dining kitchen with superb oak frame and glazing to the rear. The freestanding brass slipper bath in the master suite is the ultimate in luxury and certainly has the wow factor and the house is packed full of equally impressive fixtures throughout.

Briefly comprising:

To the ground floor (which has underfloor heating throughout):

Reception hall, cloakroom/w.c, Snug/Office, Dining Room/Playroom, fantastic L shaped living dining kitchen. An amazing open plan space with super sitting room with bifold doors to the rear garden and feature fireplace with wood burning stove, huge kitchen and dining area with beautiful units and huge centre island with granite and oak worktops over. The dining area has a fabulous oak and glazed frame which is one of the standout features of the home. Off the kitchen area is the utility.

To the first floor: Landing with window to the front elevation leading to Bedroom 1 with amazing en suite housing the beautiful freestanding brass bath. There are three further double bedrooms (two of which have storage) and the stunning house bathroom.

### Appeal of our home - Owners Thoughts

We were lucky enough to find the plot in our first choice village that lent itself to the construction of two properties. Roecliffe is an amazing place to live and we spent a lot of time creating our dream properties. We have tried to create a little haven of luxury and have enjoyed choosing and sourcing the bespoke interior. Our favourites are the kitchen and the brass bath. We love living here and are looking forward to bringing up our family in such a super setting.

Due to a change in our circumstances we are looking to sell one of our homes and we hope that the next owners appreciate and love living here as much as we do.

### Outside

The property is approached through electric timber gates which offer a huge degree of privacy. The gravelled driveway leads to the double garage and there is off street parking for a number of vehicles. There are gardens to three sides and the property has views over open grassland which offers peace and tranquillity.
