Situation and Amenities

Wensley sits just outside the Yorkshire Dales National Park and boasts a pub and a Grade I Listed church. There is an array of walks on the doorstep and the River Ure runs through the village. Leyburn is the nearest market town about 1 mile northeast whilst the historic town of Richmond is 10 miles away. Both benefit from many excellent local and artisan shops, a weekly outdoor market, filling station, doctor's surgery, dentist, primary and secondary schools and sixth form colleges. Leyburn is also home to Tennants Auctioneers on the eastern outskirts of the town.

The area benefits hugely from tourism and has good communications and relatively easy access from the A1 at Bedale. The nearest train station is at Northallerton (about 20 miles) with a regular service on the east coast main line to York, Newcastle, London or Edinburgh.

Description

The property is being built using traditional sandstone with stone quoins, head and cills under a blue slate roof. There is an entrance porch leading into a good-sized sitting room, with an opening to the dining kitchen at the rear. From here, patio doors lead out to the rear garden. The purchaser will have the opportunity to tailor the kitchen units to their own specification. There is also a utility, ground floor w.c. and an inner hall with a staircase to the first floor.

The landing provides access to three double bedrooms, including a fantastic principal bedroom with an en suite and a Juliette balcony from which to enjoy the views over the garden. There is also a house bathroom.

Externally

The property is approached by a private driveway, providing off-road parking and leading up to the substantial garage, complete with a multifunctional room above. This would be an ideal space for a home office, hobby room or potentially guest accommodation (subject to consents).

There is a garden to the front and a raised patio seating area to the rear, with Indian stone paving, perfect for entertaining guests. An additional elevated garden can be accessed from the staircase to the side of the garage.

Services and Other Information

Air source heat pump heating with solar panels and battery storage. Mains water and electric connected. Private water treatment plant drainage.

The CGI images are an artist's impression of the final build. A specification list is available on request. The purchaser may be able to request bespoke additions, with prior agreement from the developer and such costs will be quoted separately.
